THE AREA 12 COMMITTEE STRUCTURE

Our service committees are created by, and responsible to, the Area Committee. These committees do not set policy or decide issues. Rather, they make recommendations by way of reports to the Area Committee and the Area Assembly at their regular meetings. Each committee may create ad-hoc committees, which are responsible to the committee. With the exception of the Convention committee, the Area Chair appoints committee chairpersons. The Convention committee Chairperson is the Immediate Past Delegate.

In most cases, the descriptions also assume that only the Area is involved in the activity. However, Delaware has three active Inter-groups that have counterpart committees that are currently involved in this work in varying degrees. And, there is always the possibility that some activities have been taken on by Districts or Groups. It is not the purpose or intent of the Assembly to overlap or replace the work being done by the Inter-groups, Districts or Groups.

Volunteers are always welcome to participate; contact the corresponding committee chair to get involved.

THE COMMITTEES

Archives

This committee receives and maintains historical information and artifacts pertaining to the Groups, Districts and the Area. Upon request, the Archivist provides a display for events within the Area and at the state convention. With permission from the Assembly, the Archivist may purchase items that are in keeping with the purposes of the Archives, and maintain other AA related information and materials of historical value. contact: archives@delawareaa.org

Annual State Convention

This committee makes all arrangements for the statewide convention. The chair of the committee appoints its membership, including the necessary ad-hoc committees as needed. This committee is

self supporting and has its own bank account. The chair of this committee appoints a Treasurer who will receive all funds, pay all bills, maintain the financial records and submit monthly financial reports to the Area Treasurer. Upon completion of the convention, the chairperson of this committee will submit a report, including the financial results, at the next Area Committee and Assembly meetings. contact: conventionchair@delawareaa.org

The committee also makes specific suggestions to the Area Committee regarding sponsorship of professionals. The committee cooperates with other committees when communicating with professionals, and it staffs exhibit booths when appropriate. contact: cpc@delawareaa.org

Correctional Facilities

This committee makes contact with the correctional facilities in the Area, helps set up meetings for inmates, and contacts them on their release to assist in their transition from the prison AA fellowship to the local AA fellowship. It secures other AA volunteers to assist in carrying the message to the alcoholics in prison. The committee acts as a liaison and maintains contact with the volunteers, Inter-groups, Districts and Groups. contact: corrections@delawareaa.org

Finance

This committee assists the Area Committee and Assembly in all financial matters, with the 7th Tradition being the primary guidance. The Finance committee compiles the budgets submitted by the officers and committee chairs and makes its recommendations based on maintaining a prudent reserve. The committee recommends financial management policies as needed; periodically reviews the financial statements and makes recommendations when they are called for. The chair of the committee maintains and republishes the Financial Management Guidelines as

changes are made, and at the beginning of each year. In addition, the chair of the committee also reviews the financial records at the end for each year and submits a report of the results. The chair of the committee presents all reports to the Area Committee and then to the Assembly. contact: budget.and.finance@delawareaa.org

Grapevine

This committee develops awareness of the spiritual benefits of reading the Grapevine as an aid to recovery and in 12-step work.
